WHEREAS by an Agreement made on the 29th day of May, 1893, between Mwanga Kabaka of Uganda of the one part and Sir Gerald Herbert Portal, Knight Commander of the Most Distinguished Order of Saint Michael and Saint George, Companion of the Most Honourable Order of the Bath, Her Britannic Majesty's Commissioner and Consul-General for East Africa on behalf of Her Majesty's Government in the United Kingdom (hereinafter referred to as "Her Majesty's Government") of the other part the said Kabaka Mwanga did pledge and bind himself to certain conditions with the object of securing British protection and assistance and guidance for himself and his people and dominions:

AND WHEREAS the said Kabaka Mwanga by the said Agreement undertook on behalf of himself and his successors to make a Treaty in the sense of or in a similar sense to the said Agreement in the event of Her Majesty's Government being willing to assent to the said conditions:

AND WHEREAS on the 19th day of June, 1894, a notification dated the 18th day of June, 1894, was published in the London Gazette stating that under and by virtue of the said Agreement Uganda was placed under the Protectorate of Her Majesty Queen Victoria:

AND WHEREAS in pursuance of the undertaking aforementioned and in consideration of the bestowal by Her Majesty Queen Victoria of

the protection which the said Kabaka Mwanga had requested in the said Agreement of the 29th day of May, 1893, by a Treaty made on the 27th day of August, 1894 (hereinafter referred to as "the Buganda Agreement, 1894") between the said Kabaka Mwanga of the one part and Henry Edward Colville, a Companion of the Most Honourable Order of the Bath, a Colonel in Her Majesty's army, Her Britannic Majesty's Acting Commissioner for Uganda, for and on behalf of Her Majesty of the other part, the said Kabaka Mwanga did pledge and bind himself, his heirs and successors to conditions in all respects similar to the conditions set out in the said Agreement:

AND WHEREAS by an Agreement made on the 10th day of March, 1900 (hereinafter referred to as "the Buganda Agreement, 1900") between Sir Henry Hamilton Johnson, Knight Commander of the Most Honourable Order of the Bath, Her Majesty's Special Commissioner, Commander-in-Chief and Consul-General for the Uganda Protectorate and the adjoining Territories, on behalf of Her Majesty Queen Victoria on the one part and the Regents and certain Chiefs of Buganda on behalf of the Kabaka of Buganda, and the Chiefs and People of Buganda on the other part, the relationship between Her Majesty's Government, the Government of the Protectorate of Uganda, (hereinafter referred to as "the Protectorate Government") and the Kabaka, Chiefs and People of Buganda, was further defined and provision was made for recognition of the Kabaka of Buganda as native ruler of Buganda under Her Majesty's protection and over-rule:

AND WHEREAS by various supplementary Agreements the Buganda Agreement, 1900, has been extended and modified:

AND WHEREAS by an Ordinance of the Uganda Protectorate, entitled the Buganda Courts Ordinance, enacted with the concurrence of the Buganda Government, further provision has been made for the administration of justice in Buganda:

AND WHEREAS Her Majesty's Government has given an assurance to the Kabaka, Chiefs and People of Buganda in the following terms:—

"Her Majesty's Government has no intention whatsoever of raising the issue of East African federation either at the present time or while local public opinion on this issue remains as it is at the present time. Her Majesty's Government fully recognises that public opinion in the Protectorate generally and Buganda in particular, including the opinion of the Great Lukiko, would be opposed to the inclusion of the Uganda Protectorate in any such federation; Her Majesty's Government has no intention whatsoever of disregarding this opinion either now or at any time, and recognises accordingly that the inclusion of the Uganda Protectorate in any

such federation is outside the realm of practical politics at the present time or while public opinion remains as it is at the present time. As regards the more distant future, Her Majesty's Government clearly cannot state now that the issue of East African federation will never be raised, since public opinion in the Protectorate including that of the Baganda, might change, and it would not in any case be proper for Her Majesty's Government to make any statement now which might be used at some time in the future to prevent effect being given to the wishes of the people of the Protectorate at that time. But Her Majesty's Government can and does say that, unless there is a substantial change in public opinion in the Protectorate, including that of the Baganda, the inclusion of the Protectorate in an East African federation will remain outside the realm of practical politics even in the more distant future".

AND WHEREAS Her Majesty's Government has given an undertaking that, should the occasion ever arise in the future to ascertain public opinion in terms of the aforesaid assurance, the Protectorate Government will at that time consult fully with the Buganda Government and the other Authorities throughout the country as to the best method of ascertaining public opinion:

AND WHEREAS by an Agreement made on the 15th day of August, 1955, entitled the Buganda (Transitional) Agreement, 1955, representatives of Her Majesty and of the Kabaka, Chiefs and People undertook that this Agreement should be executed:

NOW THEREFORE it is hereby agreed and declared as follows:—

Citation, construction and commencement.

1. (1) This Agreement may be cited as the Buganda Agreement, 1955, and shall be read as one with the Buganda Agreement, 1894, the Buganda Agreement, 1900, and the Agreements specified in the Third Schedule to this Agreement.

Functions of the Lukiko.

6. The functions of the Lukiko shall be to discuss matters concerning the Kabaka's Government, and it may pass resolutions recommending measures to be adopted by that Government, but no effect shall be given to such resolutions without the approval of Her Majesty's Representative, that is to say the Governor, except so far as it may be otherwise agreed between him and the Kabaka's Government that such approval shall not be required.

Representation of Buganda in Legislative Council.

7. (1) At all times when provision has been made for at least three-fifths of all the Representative Members of the Legislative Council of the Uganda Protectorate to be Africans and for such number of Africans to be appointed as Nominated Members of the Council as will bring the total number of Africans who are members of the Council up to at least one half of all the members of the Council, excluding the President of the Council, then Buganda shall be represented in the

(4) Her Majesty's Government shall during the year 1957 arrange for a review by representatives of the Protectorate Government and of the Kabaka's Government of the system of election of Representative Members of the Legislative Council who represent Buganda. In such review consideration will be given to any scheme submitted by the Kabaka's Government for the election of such Representative Members based upon the recommendation contained in the Sixth Schedule to this Agreement. Every effort will be made to give effect to the recommendations resulting from such review in time for the election of the Representative Members of the Legislative Council who represent Buganda when the Legislative Council is generally reconstituted after the general vacation of seats in the Council next following the coming into force of this Agreement.

Kabaka's courts.

8. The constitution and jurisdiction of the Kabaka's courts and the administration of justice therein shall be that set out in the Buganda Courts Ordinance of the Uganda Protectorate, subject to the provisions of any Ordinance made with the consent of the Kabaka's Government amending or replacing that Ordinance.

by the Buganda Agreements can be modified shall be begun as soon as is practicable.
