THE 2026 FIFA WORLD CUP

The 2026 FIFA World Cup was one of the biggest football tournaments ever held. It was the 23rd edition of the competition and the first to feature 48 teams, an increase from the previous 32. The tournament was jointly hosted by the United States of America (USA), Canada, and Mexico, making it the first FIFA World Cup to be hosted by three countries.

The tournament kicked off on 11th June 2026 and came to an end on 19th July 2026. A total of 104 matches were played in 16 host cities spread across the three host nations. Millions of football fans travelled from different parts of the world to watch the matches, making it the most attended World Cup in history.

The final match was played at New York New Jersey Stadium in the United States. In a thrilling encounter, Spain defeated Argentina 1–0 after extra time to win their second FIFA World Cup title. Spain impressed football lovers with their disciplined defence, teamwork and accurate passing throughout the tournament. Captain Rodri lifted the famous FIFA World Cup trophy after the final whistle.

The race for the Golden Boot was equally exciting. Kylian Mbappé of France finished as the tournament's top scorer after scoring 10 goals. His brilliant performances also made him the all-time leading scorer in FIFA World Cup history. The tournament also produced many unforgettable moments, including record-breaking crowds, outstanding young players and exciting matches.

The 2026 FIFA World Cup was remembered not only because it was the largest ever, but also because it united people from different nations through their love for football. It demonstrated the power of sports in promoting friendship, peace and healthy competition among countries.
