# HILLSIDE PRIMARY SCHOOL

# BEGINNING OF TERM THREE EXAMINATIONS

## 2026

## MATHEMATICS (SET FOUR)

*Time Allowed: **2** Hours **30** Minutes*

**Index No.** | | | | | | | | | |

**Candidate's Name**.....

**Candidate's Signature**.....

**Emis No:** ..... **Stream:** .....

**District:** .....

**Read the following instructions carefully:**

1. The paper has **two** sections: **A** and **B**. Section A has 20 questions and Section B has 12 questions

2. Answer **all** questions. All answers to both sections **A** and **B** must be written in the spaces provided.

3. **All** working must be done using a blue or black ball-point pen or fountain pen. Any work written in pencil other than graphs and diagrams will not be marked

4. No calculators are allowed in the examination room.
5. Unnecessary changes in work may lead to loss of marks. Any handwriting that cannot easily be read may lead to loss of marks.
6. Do not fill anything in boxes indicated: **"For Examiners' Use Only"**

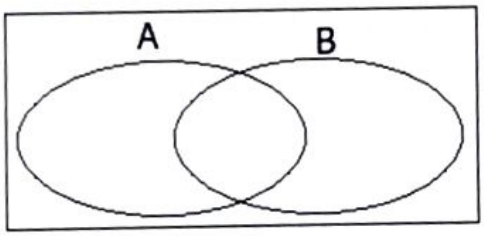

| FOR EXAMINERS' USE ONLY | | |
|---|---|---|
| **Qn. No.** | **MARKS** | **EXRS' NO** |
| 1- 5 | | |
| 6- 10 | | |
| 11- 15 | | |
| 16- 20 | | |
| 21- 22 | | |
| 23- 24 | | |
| 25- 26 | | |
| 27- 28 | | |
| 29- 30 | | |
| 31- 32 | | |
| TOTAL | | |

## SECTION A: (40 Marks)

1. Workout: 345 + 223

2. Write "**two hundred two thousand twenty- six**" in figures.

3. Shade (B - A)' on the Venn diagram below.

4. In a bookshop, four books cost shs.9600. How many books can be bought with sh.31200?

5. A saucepan full of Simsim paste weighs 18.6kg. If the empty Saucepan weighs 2.6kg. Calculate the mass of the Saucepan when $\frac{3}{4}$ its full of the same paste.

6. Solve for f; $4f \times f = 100$

7. If  represents 4 cups, draw such pictures to represent 20 cups.

8. Workout: $\frac{2}{5}$ of ( $\frac{4}{5} \div 16$)

9. Using a ruler, a pencil and a pair of compasses only, construct a line perpendicular to line segment PQ from point M in the drawing below.

.M

P Q

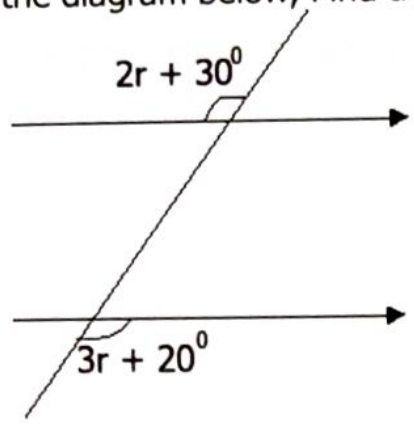

10. Given that P = 2, r = 6. Find the value of g, if g + 4 = pr

11. A business lady bought a phone with bank notes of Sh. 2,000 numbered consecutively from BH4867424 to BH4867737. Calculate the cost of the phone.

12. There were 2,785 people who attended a wedding party, 765 more females attended than males. Express the number of males who attended the party in Roman numerals.

13. There are 22 pegs fixed round a circular flower garden at intervals of 40cm apart. Calculate the diameter of the garden. (take $\pi$ as $\frac{22}{7}$)

14. In the diagram below, Find the value of r.

15. The average mark scored by P.7 candidates was 80. If the total score was 1840. How many candidates were in that class?

16. Three candidates were reporting to the head teacher's office at intervals of 8, 12 and 16 days respectively. If they reported together on Tuesday for the first time; On what day did they report for the second time at once?

17. The temperature on mountain increased from $-25^0$c to $^+30^0$c. Find the increase in the temperature.

18. Mr. Kasozi borrowed sh. 1,200,000 at an interest rate of 10% per month for 3 months. How much was the interest?

19. A bus started its journey from Kitgum to Gulu at exactly 12:25 am. Express the departure time of the bus in a 24-hour clock.

20. The value of 4 in the number 748P5 is 4000 and the value of P in the same number is 10P. The product of the value of P and value of 4 is 240,000. Find the digit represented by letter p.

## SECTION B: (60 Marks)

21. a) Simplify: $\frac{0.2 \; x \; 0.24}{0.6 \; x \; 0.4}$ (3 marks)

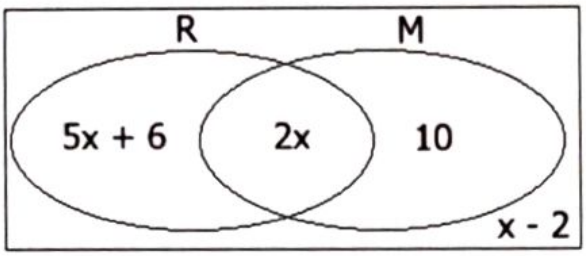

b) Mr. Okumu spent $\frac{1}{4}$ of his money buying story books, $\frac{1}{2}$ on school fees, $\frac{1}{6}$ of the remainder on food. What fraction of the money was spent on food? (3 marks)

22. Joan sold 45 mangoes in 3 days. She was selling five more mangoes every day than the previous day. If she sold 2P mangoes on the first day. How many mangoes did she sell on the third day? (4 marks)

23. a) Expand 3478.57 using powers of 10. (2 marks)

b) Find the number represented by $3.8 \times 10^{-3}$ (2 marks)

24. The Venn diagram below shows the number of pupils who like Matooke (M) and Rice (R). The number of pupils who like rice only doubles the number of those who like matooke. Study it carefully and use it to answer the questions that follow.

a) Calculate the total number of pupils in the class. (3 marks)

b) Find the probability of picking a pupil who does not like rice randomly to be the class captain (2 marks)

25. a) Use >, <, or = to complete the statement below. (2 marks)

-5 - 4_____-5 + 6

b) Solve and write the solution sets for the inequality:

$3y + 4 < 5y + 8$. (3 marks)

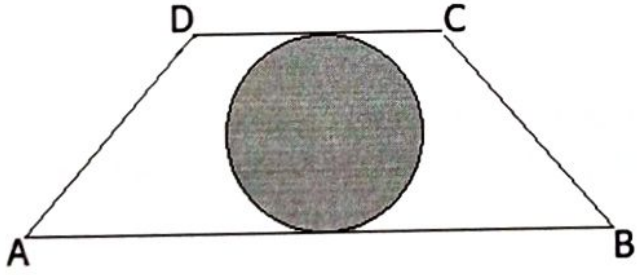

26. In a certain school, 424 pupils went for a tour and each pupil paid Sh.120,000 at School. The school hired 8 buses that transported all pupils and each bus owner was paid sh.20,000 for every two pupils transported and the rest of the money the school collected was spent on feeding. How much money was spent on feeding?(6 marks)

27. Rebecca went to a super market with two notes of sh.20,000 and bought the following items:

- 2kg of sugar at sh. 4,000 per kg.
- $2\frac{1}{2}$ kg of salt at sh. 2,000 a kg
- 2 bars of soap for sh.5000 per bar.
- 18 mangoes at sh. 5,000.

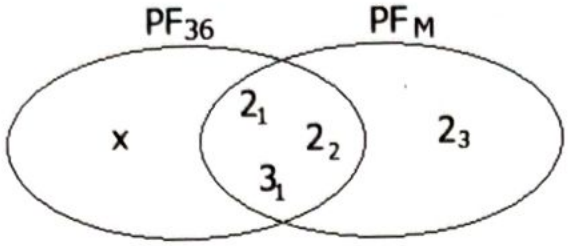

If Rebecca was given a discount of 10% of the total expenditure. Find the amount of money Rebecca paid after the discount. (5 marks)

28. In the figure below, a circle of diameter 28cm is inscribed in a trapezium ABCD such that AB = 32cm and DC = 18cm. Study it and answer the questions that follow.

Workout the area of the unshaded part. (Use $\pi = 3.14$ ) (6 marks)

29. Study the figure below and use it to answer the questions that follow.

a) Find the value of X. (2 marks)

b) Find the LCM of 36 and M. (2 marks)

30. The table below shows the marks of different candidates who sat for an examination. Study it and answer the questions that follow.

| Marks | 70 | 85 | 40 | 65 | 80 | 75 | 50 |
|---|---|---|---|---|---|---|---|
| Number of pupils | 2 | 2 | 3 | 4 | 1 | 2 | 4 |

a) How many candidates did the examination? (1 mark)

b) Calculate the mean mark of candidates who scored above 70.
(3 marks)

31. a) Using a ruler, pencil and a pair of compasses only construct a triangle ABC, where AB = 6cm, angle ABC = $45^0$ and angle BCA = $75^0$
(4 marks)

b) Measure line BC. (1 mark)

32. A motorist left home at 8:30 am, travelling to Kampala at a steady speed of 40km/h, reaching at 10:30 am. He later increased his speed by 60km/h, continuing to Kumi for 3hours.

a) Find how far Kampala is from his home. (2 marks)

b) Calculate his average speed for the whole journey. (3 marks)

| 53- 55 | | |
| TOTAL | | |

## SECTION A: 40 MARKS

1. Name the deficiency disease that causes pale skin and white fingernails.

   .....

2. Give a reason why dew is able to be formed at night but not during day time.

   .....

   .....

3. State any **one** characteristic that makes a coco yam to be grouped under stem tubers.

   .....

   .....

4. Mention **one** reason why a kilogram of nails has greater density than a kilogram of leaves.

   .....

   .....

5. State the way in which the property of being less dense than water by ships affect them.

   .....

   .....

6. Write down any **one** how the use of solar electricity conserves the environment.

   .....

   .....

7. Sate any **one** way in which local salt is important to people.

   .....

8. State any one reason why trees near electric power lines should be pollarded.

.....

.....

**The diagram below shows a cold blooded animal. Study and use it to answer the questions 9 and 10.**

9. Identify the part marked with letter **S** shown in the a above.

.....

10. State any **one** functional similarity between parts marked with letters **P** and **Q** .

.....

11. Mention the reason why sweet potato gardens are not mulched.

.....

.....

12. State any **one** way in which you can tell that the child has vitamin A deficiency in the body.

.....

13. Sate the importance of adding of cow dung in the compost pit.

.....

.....

14. Mention the reason why amphibians lay very many eggs.

.....

15. State any **one** benefit of growing crops together with trees on the same piece of land.

.....

16. State any **one** difference in structure between sand soil and clay soil.

.....

The diagram below shows a garden material. Study and use it to answer questions **17** and **18**.

17. State any **one** way in which the above garden material is useful to a farmer.

.....

.....

18. Mention the method of growing crops in which the above garden material is not used.

.....

.....

19. Give any one way in which rusting reduces the efficiency of some garden tools.

.....

.....

20. Identify any one method of controlling poultry vices without inflicting pain on birds.

.....

21. Give any **one** way in which you can produce static electricity in the classroom during an Integrated Science lesson.

.....

.....

22. Apart from balancing salt in the body, in which other way are kidneys useful in the body.

.....

.....

23. Mention any one characteristic of fungi.

.....

24. Give any **one** reason why most cattle farmers use herding method of grazing.

.....

.....

25. State any **one** way in which lungs are able to perform their function.

.....

.....

26. Give any **one** reason why people are encouraged not to over dry the washed clothes.

.....

.....

27. State the way in which leguminous crops make use of nitrogen gas.

.....

.....

28. Give any **one** reason why less effort is used when lifting the load in the first-class lever machines.

.....

29. State the way in which synovial fluid reduces friction at the joint.

.....

.....

30. Define the term respiration.

.....

.....

The diagram below shows a simple machine being used. Use it to answer question **31** and **32**.

31. Identify the class of levers to which the above simple machine belongs.

.....

.....

32. State any **one** application of principles of moments in our daily life.

.....

.....

33. Give any **one** reason why babies are given polio vaccine more than once.

.....

34. State any **one** factor that determines the strength of an induced magnet.

.....

.....

35. Apart from deforestation, give any **one** other factor that affect the production of hydroelectricity.

.....

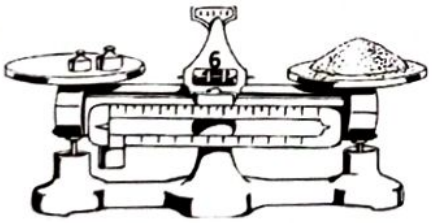

.....

36. Write down the way in which plants help to purify air in the environment.

.....

.....

The diagram below shows one of the machines used to measure weight of objects. Use it to answer question **37.**

37. Name the instrument shown in the diagram above.

.....

38. State any **one** way in which force of gravity is applied in our daily life.

.....

.....

39. Mention any **one** condition in which men can be grouped under vulnerable.

.....

.....

40. State one reason why the government of Uganda encourages full participation of every citizen during the National Cleaning Day

.....

.....

## SECTION B:

41. (a) Write down **two** methods of artificial vegetative propagation.

(i) .....

(ii) .....

b) State any **two** factors to consider when selecting the seeds for planting.

i).....

ii).....

42. (a) Mention two ways of promoting oral health

(i) .....

(ii) .....

b) Identify the type of teeth that serves the same purpose as a grinding machine

.....

(c) Write down any one disease of teeth.

.....

43. The diagram below shows an equipment commonly found at school. Study and use it to answer the questions that follow.

(a) Name the equipment shown above.

.....

(b) Give **one** reason why the above equipment is always painted red.

.....

(c) State the reason why the above equipment is recommended to be in schools.

.....

(d)Why is carbon dioxide used in the above equipment not oxygen?

.....

44. Abdenour was not feeling well. When the nurse measured his normal temperature, it had dropped by $2^0$c.

(a) What was the body temperature of abdunuuru.

.....

(b) Convert the body temperature above to Fahrenheit scale.

.....

(c) State any **one** difference between temperature and heat.

.....

.....

45. (a) Give the gestation period of a sow

.....

b) State any **two** ways of caring for pigs.

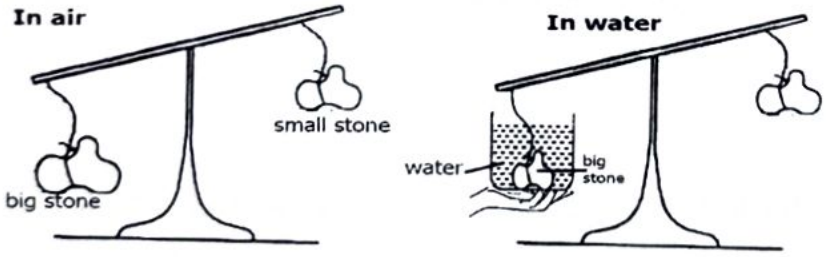

i. .....

ii. .....

b. Mention any **one** importance of teeth clipping in pig management.

.....

46. The diagram below shows an experiment carried out by p.7 pupils during a science lesson. Study and use it to answer the following questions.

(a) Identify the medium in which the stone weighs more.

.....

(b) Give a reason to support your response in number (**46a**) above.

.....

(c) Name the force that acts on the stone in water according to the above experiment.

.....

(d) State what the above experiment proves about measurements.

.....

47. State the function of each of the following parts of an onion plant;

(i)Foliage leaves:

.....

(ii)Adventitious roots:

.....

(b)Mention one advantage of planting onions using bulbs rather than Using seeds.

.....

(c)Write any one example of artificial vegetative propagation.

.....

48. (a) Name the germ that causes AIDS.

.....

b) Mention any **two** ways how AIDS is spread among people today.

i. .....

ii. .....

c) State any **one** way in which sexually transmitted diseases can be prevented among adolescents.

.....

49. (a) Name the fungal diseases whose signs are shown below;

(i) Wounds between toes:

.....

(ii) Sores on genital organs:

.....

b) Mention the component of air produced when yeast ferments sugar and oxygen in the dough.

.....

.....

c) State any **one** way of preventing fungal diseases in plants.

.....

50 The table below shows alloys, how it is made and its uses. Study and complete it correctly.

| **Name of alloy** | **Metal combination** | **Its uses** |
|---|---|---|
| Brass | ..... | Making ornaments. |
| ..... | Copper +Zinc +Tin | Making medals. |
| Solder | Lead + Tin | ..... |
| ..... | Mercury + copper | Making dental caps |

51 (a) Write down any **two** signs and symptoms of sleeping sickness.

(i) .....

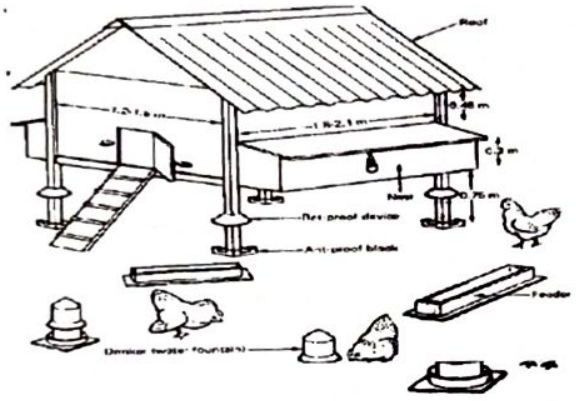

(ii) .....

Give any **two** ways of controlling the out break of sleeping sickness.

i) .....

(ii) .....

52. The diagrams below show a system of keeping poultry. Study and use it to answer the questions that follow.

(a) Name the system of keeping poultry shown above.

.....

(b) State any **one** reason why the above system of rearing poultry is commonly used in rural areas.

.....

(c) Give any **two** disadvantages of using the above system of keeping poultry.

(i) .....

(ii) .....

53. (a) Give any **two** examples of narcotic drugs.

(i) .....

(ii) .....

b) State any **one** effect of drug abuse to a community.

.....

c) State any **one** of controlling drug abuse among teenagers.

.....

54. You are provided with the following materials;

**Electric stove, kettle, metallic cover and a mug.**

Write **four** steps you will take to show the process of water cycle.

(i) .....

.....

(ii) .....

.....

(iii) .....

.....

(iv) .....

.....

55. (a) Mention any one method of making temporary magnets.

.....

b) State the way in which keeping magnets with iron keepers prevents demagnetization.

.....

c) State any **two** ways how magnets are useful in our daily life

i).....

ii) .....

## SECTION A 40 MARKS

Questions **1** to **40** carry one mark

1. Which school symbol inspires learners to work hard?

.....

2. Write one advantage of a large population to an industry.

.....

3. Give one social importance of lakes.

.....

4. Name the major line of latitude which crosses Sao Tome and Principe.

.....

5. Which type of energy is tapped from the sun?

.....

6. State one way a farmer benefits from a school in the community.

.....

7. Draw a map symbol for a mountain peak in the space below.

8. How do the Westerly winds influence the climate of Western Uganda?

.....

9. Which tribe in West Africa is famous for practicing transhumance?

.....

10. Of what formation are the Atlas ranges of Morocco?

.....

11. Give one reason why some African leaders collaborated with colonialists.

.....

12. Calculate the population density of town **K** which has a total population of 400,000 people occupying 20 $km^2$ of land.

13. Why is mangrove timber preferred for ship building?

.....

14. Kiggundu, a senior four student was denied a voting chance in the Presidential elections in Uganda held in 2026. Mention one reason why the Electoral Commission didn't allow Kiggundu to vote.

.....

15. In which way was a dog important to early man?

.....

16. State one reason why urban centers are more populated than rural areas.

.....

17. Which type of trade did monetary trade replace?

.....

18. Mention one way of losing the citizenship of Uganda.

.....

19. Who appoints a Resident District Commissioner?

.....

20. Mention one problem faced by farmers in Uganda.

.....

21. Give one duty of a veterinary doctor in a community.

.....

22. How do by laws promote peace in a community?

.....

23. Which vegetation zone covers the largest part of Africa?

.....

24. Give one reason why the National Environment Management Authority (NEMA) evicts people from swamps.

.....

25. Of what economic importance is Fort Jesus to Kenya?

.....

26. Name the largest island country of Africa.

.....

27. At what point does a bill become a law?

.....

28. How do steep sides of a rift valley hinder the transport sector?

.....

29. Name one weather instrument kept in a Stevenson screen.

.....

30. State one way the government of Uganda is trying to help its people get out of poverty.

.....

31. Mention one factor which attracts foreign investors into a country.

.....

32. Write UBOS in full.

.....

33. Name one tourist attraction found in deserts.

.....

34. Write one reason why the Uganda National Anthem is sung on school assemblies.

.....

35. How is the tool below used by the police to maintain law and order in a community?

.....

For each of the questions **36** to **40**, answer **EITHER** the Christian **OR** Islamic question but **not** both. **No marks** will be awarded to a candidate who attempts both alternatives in **a particular number.**

36. **EITHER:**

Name the sacrament which initiates a person into the God's family.

.....

**OR**. Name the pillar which initiates a person into Islam.

.....

37. **EITHER:**

Mention one way Christians benefit from parables.

.....

**OR:**

Mention one way Muslims benefit from Hadiths.

.....

38. **EITHER:**

Who was the mother of John the Baptist?

.....

**OR:**

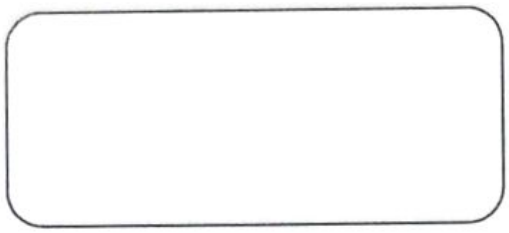

Who was the mother of Prophet Muhammad?

.....

39. **EITHER:**

Draw one example of an item given in church as offertory.

**OR:** Draw one item given by Muslims as zakat.

40. **FOR BOTH:**

State one way of preparing for eternal life.

.....

## SECTION B (60 MARKS)

Questions **41** to **55** carry **four** marks each.

41. (a) What is democracy?

.....

.....

(b) mention two ways democracy is practiced in Uganda.

(i).....

(ii).....

(c) Give one problem a country is likely to face if it does not practice democracy.

.....

42. (a) Under which ministry are all schools in Uganda?

.....

(b) Give any one reason why the government of Uganda introduced Universal Primary Education.

.....

.....

(c) Mention any two problems facing schools under Universal Primary Education program in Uganda.

(i).....

(ii).....

43. (a) Name the only kingdom which was formed in Kenya.

.....

(b) Give any two importance of kingdoms.

(i).....

(ii).....

(c)What title was given to the special army of Chief Mirambo?

.....

44. (a) Name the continent which neighbours Africa to the north.

.....

(b) Why does Antarctica have no human settlement?

.....

(c) Give two ways Africa is unique from other continents.

(i).....

(ii).....

45. (a) Define the term environmental degradation.

.....

.....

(b) Mention any two human activities which lead to environmental degradation.

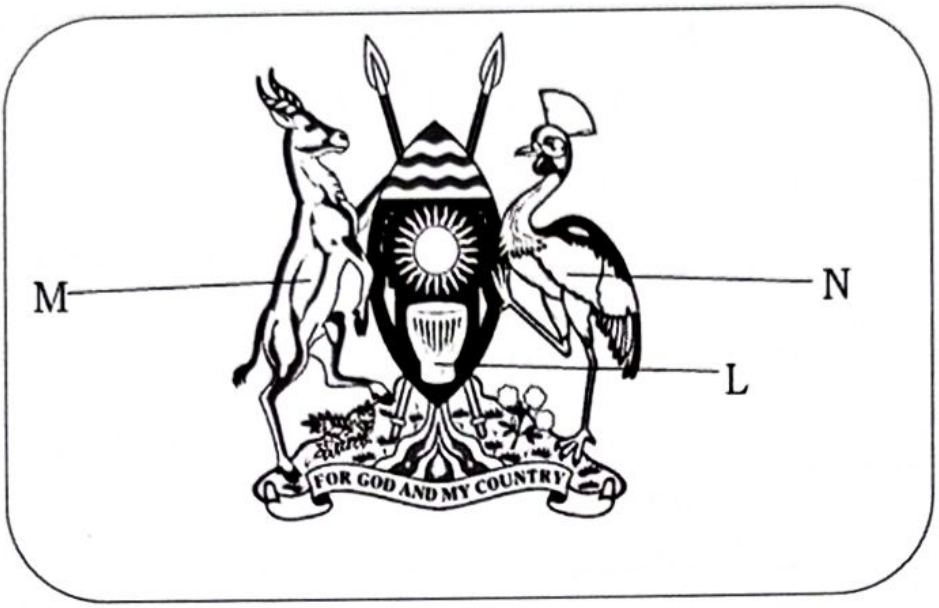

(i).....

(ii).....

(c) Mention one way of conserving wild animals.

.....

46. Study the diagram below and answer questions that follow.

(a) Name the symbol of Uganda as a nation shown above.

.....

(b) Name the features labeled with letters M and N

(i) M.....

(ii) N.....

(c) What does feature marked L represent?

.....

47. (a) What is a financial year?

.....

.....

(b) State one source of government revenue.

.....

(c) Why does the government of Uganda allocate funds to each of the following ministries?

(i) Ministry of Works and Transport

.....

(ii) Ministry of Defence.

.....

48. Complete the table.

| **Crop** | **Product** |
|---|---|
| Sugarcane | |
| | Cigarette |
| Cloves | |
| | Clothes |

49. (a) Give any two political parties which were formed to demand for the independence of Uganda.

(i).....

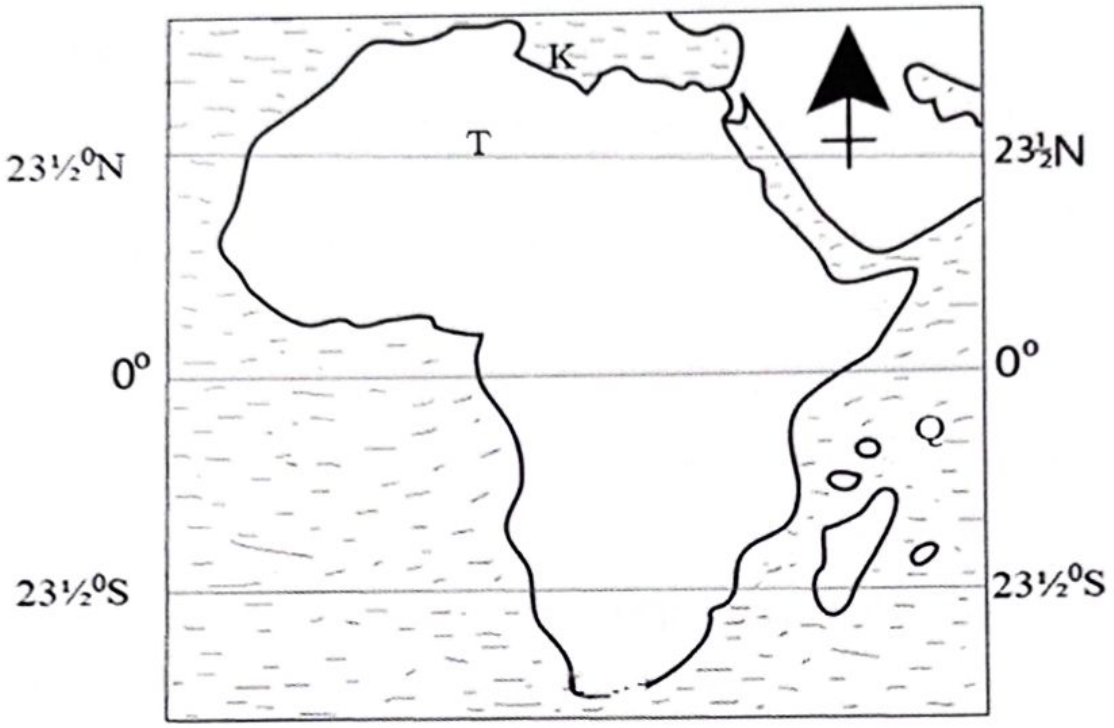

(ii).....

(b) State two ways Africans demanded for independence besides forming political parties.

(i).....

(ii).....

50. Study the map below and answer questions that follow.

(a) Name the water mass marked with letter K

.....

(b)Mention any two countries crossed by line marked T

(i).....

(ii).....

(c)How was water mass Q important to the Arab traders who came to the coast of East Africa?

.....

For each of the questions **51** to **55**, answer **EITHER** the Christianity **OR** the Islamic but **not** both. **No marks** will be awarded to a candidate who attempts both alternatives in **a particular number**.

51 **EITHER:**

(a) What term is used to mean the existence of God in three persons.

.....

(b) Mention the three persons in which God exists.

(i) .....

(ii) .....

(iii) .....

**OR:**

(a) What term refers to the journey of prophet Muhammad from Mecca to Medina?

.....

(b) Mention two reasons why Prophet Muhammed left Mecca to Medina.

(i) .....

(ii) .....

(c) How did the people of Medina benefit from the coming of prophet Muhammad?

.....

52 EITHER:

(a) Who is a prophet?

.....

(b) Mention any two prophets in the Bible.

(i) .....

(ii) .....

(c) State one role of prophets.

.....

**OR:**

(a) Who is a prophet?

.....

(b) Mention any two prophets in Islam.

(i) .....

(ii) .....

(c) State one role of prophets.

.....

53 **EITHER:**

(a) What is faith?

.....

(b) Why did God ask Abraham to sacrifice his son Isaac?

.....

(c) Write one lesson we learn from Abraham as Christians.

.....

(d) Give one way a primary seven pupil can demonstrate faith in God.

.....

**OR:**

(a) What term is used to refer to one's strong religious belief in Allah?

.....

(b) Why did Allah ask Ibrahim to sacrifice his son Ishaq?

.....

(c) Write one lesson we learn from Ibrahim as Muslims.

.....

(d) Give one way a primary seven pupil can demonstrate faith in Allah.

.....

**54. EITHER:**

(a) Mention any two reasons why Christian pray after waking up.

(i).....

(ii).....

(b) Mention two ways Christians communicate to God besides prayer

(i).....

(ii).....

**OR:**

(a) Mention any two reasons why Muslims pray after waking up.

(i).....

(ii).....

(b) Mention two ways Muslims communicate to Allah besides prayer

(i).....

(ii).....

**55. FOR BOTH.**

(a) Mention any two examples of world religions besides Christianity and Islam.

(i).....

(ii).....

(b) Give any two importance of religious symbols.

(i). .....

(ii) .....

.....

50. "Our breakfast will be ready at 8:00a.m. today," said the students. *(Rewrite the sentence using: ..... said that .....)*

.....

.....

## SECTION B: 50 MARKS

*Questions 51 to 55 carry ten marks each*

**51. Read the passage below and answer the questions about it in full sentences.**

All the necessary procedure had been followed and all of us were successfully registered for Primary Leaving Examination 2025 at our school, Mumpi Junior School. This made all the candidates overjoyed after that successful registration. Our P.7 teachers 2025 congratulated us on maintaining that registration is one step to sitting Primary Leaving Examination.

After the registration, the head teacher, Mr. Nampogo organized a meeting. In the meeting, he guided us on how to prepare ourselves for Primary Leaving Examination (PLE). He didn't want us to shame our mighty school. In his words he said, 'Excelling in exams is not about being taught in class, but sacrificing oneself.' He urged us to make personal revision timetables, consult teachers for what still disturbs us and engaging in discussion groups. 'These groups enable you master the learnt concepts and remember what you have forgotten as you learn from one another,' he added.

On behalf of the teachers, Ms. Kwakha, the class coordinator urged us to be good time managers. She added that time management boosts our confidence while doing different activities, as it relieves us of panic due to rushing. She reminded us that hard work with discipline would be key to better grades.

Adhana, the pupils' representative, rose and promised the staff that we would uphold the academic excellence of the school. She maintained that the pupils knew exactly what was ahead of them, so hard work would be their daily meal.

All of us gave her praise. She surely said what we were already practising. We were then encouraged not to lose track during our preparations to sit the very first National examination. Adequate preparations have been made and we feel rather ready to excel in Primary Leaving Examination 2025.

**Questions**:

(a) What is the passage about?

.....

.....

(b) Who organized the candidates' meeting?

.....

(c) What would the learners do to excel in their exams?

.....

.....

(d) Which pupil talked on behalf of other candidates?

.....

(e) Why were the learners urged to manage time well?

.....

.....

(f) What showed that the learners would uphold the school academic excellence?

.....

.....

(g) According to the passage, how can candidates relieve from panic due to rushing?

.....

.....

(h) What did Ms. Kwakha tell the candidates during the meeting?

.....

.....

(i) Write one way candidates were guided on how to prepare themselves for PLE, 2025.

.....

(j) Suggest a suitable title for the passage.

.....

**52. (A) The supervisor of academics at Abim Primary School made observations when he was carrying out his duty in one of the weeks of Term 3, 2025. What he observed has been shown in the table below. Study it and answer the questions that follow in full sentences.**

| Activity | Time | Challenges faced | Recommendation |
|---|---|---|---|
| Morning assembly | 7:00a.m. - 8:00a.m. | Late arrival, low energy | Encourage punctuality, use energizing songs. |
| Class supervision | 8:30a.m. - 10:00a.m. | Distraction noise from nearby class | Reinforce routines, coordinate with neighbouring teachers. |
| Break time monitoring | 10:30a.m. - 11:00a.m. | Rough play, littering | Set clear play zone, assign cleanup roles. |
| Afternoon prep support | 2:00p.m. - 3:30p.m. | Fatigue, incomplete homework | Offer short breaks, use peer tutoring. |
| Evening dormitory checkup | 7:00p.m. - 8:00p.m. | Missing items, emotional learners | Create checklist, offer listening ear. |

*Compiled by: Kintu Ben (Academic Supervisor)*

(a) What does the above table show?

.....

.....

(b) At what time did the children have break time monitoring?

.....

.....

(c) Which activity did he supervise between 7:00a.m. and 8:00a.m.?

.....

(d) Who prepared the above table?

.....

.....

(e) Why do you think that this school is a boarding school?

.....

.....

**52. (B) Read this notice and answer the questions that follow in full sentences.**

**PUBLIC NOTICE**

**MALALA BUS COMPANY LTD**

This serves to inform all passengers who use our buses that we have a special December offer.
We have reduced the bus fare for all destinations. You will pay a fare of less than 5% of the original charges. This will enable our customers to enjoy travelling to business centres and villages cheaply. The first three passengers to board each bus will get a free travel mat every day.
This offer will last until 1st January 2026. The conductors will issue a ticket to each passenger before boarding the bus. Report bad driving to the manager on 0753109968. Enjoy our transport services this festive season.

.....

(e) When was the notice written?

.....

**53. Read the poem below and answer the questions about it in full sentences.**

*The fields all turn jubilant*
*For it's now their time*
*For the farmer to remember them*
*Relieving them of the burden of weeds*
*That suck all their nutrients away.*

*Dawn is the right time*
*To till the land sow quality seeds*
*For sunshine is gentle until noon*
*Adding to the coolness of the soil*
*Supporting proper seed germination of beans.*

*In his boots, so smart he looks*
*Prepared to weed his crops well*
*Intending to reduce competition soil nutrients*
*Increasing his yields during harvest*
*High profits for him, an assurance.*

*The farmer's family no longer laments*
*Farming has wiped out all the tears*
*Turning him into a king*
*School fees burden, history to remember*
*Basic needs, plentifully available home.*

*Akil Benj*

(a) What is the poem about?

.....

.....

(b) According to the poem, how do weeds affect the fields?

.....

.....

(c) When should farmers till their land?

.....

.....

(d) What makes the farmers' seeds to germinate properly?

.....

.....

(e) Which crop does the farmer grow, according to the poem?

.....

.....

(f) Why do the farmers weed their crops?

.....

(g) What happens when farmers get high yields?

.....

.....

(h) How many stanzas are there in the poem?

.....

(i) Write a word or group of words similar in meaning to each of the underlined words in the poem:

(i) gentle: .....

(ii) plentifully: .....

(j) By whom was poem written?

.....

**54. Ms. Angora met Mambo, her neighbour's son on the way rolling his bicycle down the hill and asked him why he was doing so. They had a conversation. Complete the conversation with what you think were Ms. Angora's words.**

**Ms. Angora:**_____

**Mambo:** I am rolling it down the hill because it has got a puncture on its front tyre.

**Ms. Angora:**_____

**Mambo:** I can't tell how it has got it. Perhaps a sharp object has pierced it.

**Ms. Angora:**_____

**Mambo:** No, I don't have a toolbox. I don't know it either.

**Ms. Angora:**_____

**Mambo:** I am pleased to learn that it contains tools one can use to repair a broken down vehicle! May I know some of those tools, please?

**Ms. Angora:**_____

**Mambo:** Wow! I think I have ever heard of a spanner, screwdriver and a hammer. Isn't a toolbox expensive?

**Ms. Angora:**_____

**Mambo:** is it because it has many tools in it?

**Ms. Angora:**_____

**Mambo:** Okay. Then they are right to sell it expensively.

**Ms. Angora:**_____

**Mambo:** I am now taking it to Kagaali, the village mechanic for repair.

**Ms. Angora:**_____

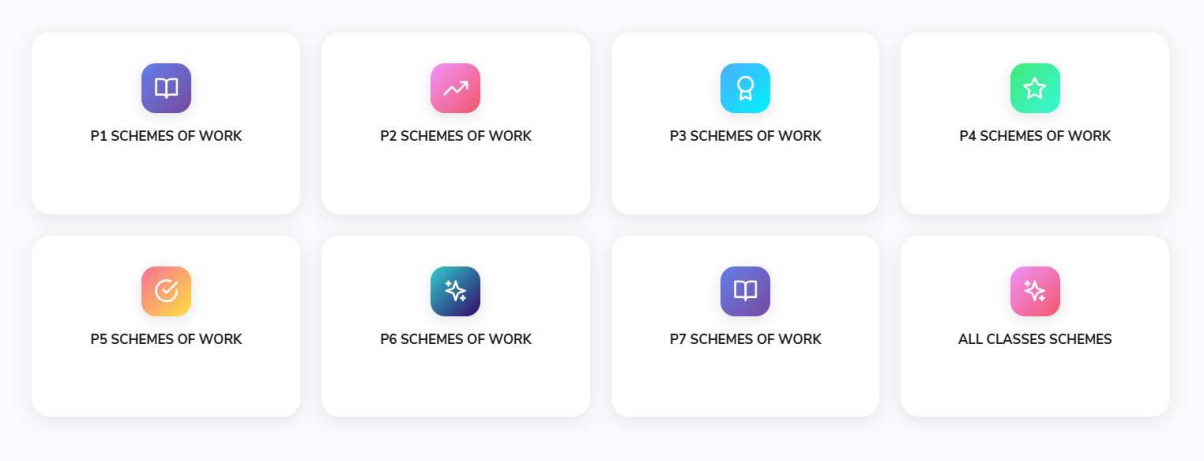

**Mambo:** No, I don't think he will ask for much money. This is just simple to fix.

**Ms. Angora:**_____

**Mambo:** No, thank you. Don't give me money because I have some to use for repair.

55. *Your friend and you visited Uhuru Restaurant, Plot 456, Kulya Street, and the waiter did not treat you well. Your order was delayed and you were charged more money than what was on the menu. The cashier also refused to give you your change. Write a letter to the manager of this restaurant complaining about the misconduct his workers showed to you. Tell him about the poor treatment you received and advise him on how to make his workers hospitable to customers. Use Zawadi Parents School, P.O. Box 123, Lirapalwo.*
