Weather, Weather, Weather

You are made of four main elements,
Rainfall, sunshine, wind and cloud cover.
When the rain pours, we feel so good,
Farmers grow crops and we collect water.
When it shines, farmers dry their crops
And we dry clothes.
When the wind blows, we feel joy,
The farmers winnow their seeds
As we watch dancing trees.
When the clouds cover, we
Feel cold and get sweaters
For warmth.
