SECTION B (50 MARKS)

Questions 51 to 55 carry ten marks each.

51. This passage was written by Nakalule Pretty from Agape Primary School in Wakiso District. Read it carefully and, in full sentences, answer the questions that follow.

Every morning of the school days, I wake up at 5:00 o'clock. I say my prayers, brush my teeth and wash my face. I light the charcoal stove to prepare breakfast. As the charcoal stove lights up, I wake up my siblings, who straightaway get into the shower room to clean up for school.

After the stove has lit up, I then prepare tea, eggs and toasted bread for our breakfast. By the time Kuteesa and Massa complete their dressing, the breakfast is already set on the dining table. Quickly, I also get into the shower room, take a shower and soon dress up to join Kuteesa and Massa for breakfast.

At about fifteen minutes to six o'clock, we jump into dad's car, which is driven by Mr. Membe, the driver. He drops us at school every morning. On arrival at school, each one of us goes to our respective classroom to get started with the day's work. Our teachers take us through morning work and later make corrections for the previous day's homework.

My day is always enjoyable when we start the morning with mental work, which is conducted by Mr. Odoi, the Mathematics teacher. He always encourages us and shows us how to do sums the easiest way. Later in the day when we have completed the school programme, our parents come for us from school and take us back home.
