### “THE EXAM ADVENTURE”

The exam is coming, it's almost here  
A chance to show what you've learned  
Don't worry, don't feel the squeeze  
Think of it as a learning breeze!

Remember all the stories, the sums, the facts  
Like building with blocks or following tracks  
You've listened and learned, you've done your best  
Now put your knowledge to the test!

The paper is a map and the questions are clues  
To find the right answers, just like you choose  
Read carefully, then take your time  
Your brain is a star, it's ready to shine!

If a question is tricky, don't get upset  
Move on to the next, you are not done yet  
Come back to it later with a fresh clear eye  
The answer might pop up way up high!  
(Kinyagiroo Professor, P.7 Champion)
