SECTION B

51. Read the story below and answer the questions in full sentences.

THE CLEVER ANIMALS

Once upon a time, the lion, the monkey and the elephant were friends. They wanted to grow beans, maize, yams and sisal in their garden. So they decided to divide their land into three different pieces. The elephant quickly said, "I will take the rocky place which is hard so that I don't get dirty".

"I will take the swampy land which does not need a lot of digging." said the lion. When I am hungry, I will eat fish from the swamp. The monkey took the garden. The lion had a lot of yams, little maize and few beans because beans do not grow well in the swamp. The monkey harvested a lot of maize, beans, some yams and sisal. The elephant was sad because his seeds did not grow.

Questions:

a). What is the story about?

b). How many animals are in the story?

c). Where did the elephant plant his seeds?

d). Who planted in the swamp area?

e). Why do you think elephant was sad?

e). Which seeds did the animals want to plant?

f). Give the past tense of these words?
