- ❖ *Answer **one** item from Section B.*
- ❖ *Answer **four** examination items in all.*
- ❖ *Any additional item(s) answered will not be scored.*
- ❖ *All answers must be written on the answer sheets provided.*

SECTION A

Answer all items in this Section.

Item 1:

Amilah has been saving Shs 1,200,000 from her pocket money while in school. With an additional contribution of Shs 1,800,000 from her parents, she aims to start a profitable business project during her S.4 vacation. However, lacking knowledge of entrepreneurship, she's unsure which business ventures to pursue.

Task: As an entrepreneurship expert, guide Amilah on:

- (a) Potential agribusiness and manufacturing business opportunities she can explore. (08 Scores)
- (b) Key factors to consider when selecting a viable business opportunity. (04 Scores)
- (c) Essential steps to follow when starting a business. (05 Scores)
- (d) Alternative sources of capital she can consider. (03 Scores)

Item 2:

After completing their education, Martha, Mark, and Mary decided to become entrepreneurs and start a joint business venture, "Triple M" Bakery, in their hometown of Kakiri. Each partner contributed equally to the startup capital of Shs 1,200,000 and agreed to share profits and losses equally. They collaboratively manage production, marketing, and finances, with Martha taking a more active role. The bakery has become a success in their community.

Task: As a business consultant, help the partners by:

- (a) Creating a partnership agreement document that outlines the terms and conditions of their business relationship. (05 Scores)
- (b) Developing a comprehensive production plan that ensures efficient and high-quality bakery operations. (10 Scores)
- (c) Designing an effective advertisement for their bakery products using a suitable medium. (05 Scores)

Item 3:

A group of 30 women in Kigunga, Mukono, have formed a SACCO called "KIGUNGA BAKYALA TWEZIMBE," which focuses on the sale of agricultural produce. After successfully lobbying for government support, they received Shs 30 million in funding from the Parish Development Model (PDM) Project. The SACCO

plans to insure its business activities and open a bank account to manage funds effectively. They also commit to being tax compliant but require guidance on various business aspects.

Task: As an entrepreneurship student, provide the following support to the SACCO members:

- (a) Explain the sources of government revenue used to support entrepreneurs. (04 Scores)
- (b) Guide the SACCO members through the process of opening a business bank account. (05 Scores)
- (c) Identify suitable insurance policies for their business activities. (04 Scores)
- (d) Inform the SACCO members about their rights and obligations as taxpayers. (07 Scores)

SECTION B

Answer one item from this section

Item 4:

David operates a stationery shop in Wakiso town. She did not study Entrepreneurship while at school and as a result she employed Lucky Marion the Accounts Clerk. After getting greener pastures Lucky left the job before preparing financial statements which are very vital in financial management.

The balances in the books of David Stationers Ltd as at 31.12.2023 were as below: -
