SOCIAL STUDIES SCHEME OF WORK FOR PRIMARY SEVEN

TERM ONE

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
1	1	LOCATION OF AFRICA ON THE WORLD	MAP AND PICTURE	Revision of maps and Pictures - Definition of map and picture - Similarities between a map and a picture - Differences between a map and a picture - Types of maps - Importance of maps - Elements/aspects/attributes of a map - Importance of map elements - Map symbols	Defines a map Defines a picture Lists elements of a map Draws map symbols	Reads, writes and spells words correctly	Whole class discussion, Questionnaire	Love, Empathy, Respect, Cooperation, Honesty Critical thinking, Problem solving, Assertiveness, Self-esteem, Effective communication, Care,	- Defining a map - Defining a picture - Giving the similarities between a map and a picture - Mentioning types of maps - Stating importance of map elements	Wall charts Chalkboard illustrations, Flash cards, Atlas,	Excel Standard Notes for Social Studies Bk7, MK Standard Social Studies Bk7, Precise Social Studies Bk7, Primary Seven	
	2		UNIVERSE AND SOLAR SYSTEM	Introduction to Universe and solar system - Definition of the universe - Features in the universe - Cosmology and cosmologists - Solar system - Planets in the solar system - Earth as a planet	Defines universe Mentions features in the universe	Reads, writes and spells words correctly			- Defining universe - Naming features in universe - Defining cosmology - Defining Earth - Mentioning planets of the world			
	3		MOVEMENTS OF THE EARTH	Movements of the Earth - Definition of the Orbit - Definition of rotation of the Earth - Illustration of rotation of the Earth - Definition of an axis - Effects of rotation of the Earth - Definition of revolution of the Earth - Illustration of revolution of the Earth - Effects of revolution of the Earth	Defines orbit Defines rotation of the Earth Defines revolution of the Earth	Reads, writes and spells words correctly				- Defining rotation of the Earth - Defining revolution of the Earth - Giving the effects of rotation of the Earth - Giving the effects of revolution of the Earth			
	4		AFRICA AS A CONTINENT	Location of Africa on the world map - Definition of location - Definition of the world - Definition of the globe - Continents of the world - Definition of a continent - Formation of continents - Naming the largest, second largest, driest, flattest, smallest, and hottest continent	Defines location Defines world Defines globe Defines a continent	Reads, writes and spells words correctly			- Defining location - Defining the term world - Defining the term globe - Mentioning continents of the world - Naming the largest, second largest, driest, flattest, smallest, and hottest continent			
	5		OCEANS AND SEAS	Large water bodies of the world - Definition of a sea, water body, an ocean - Naming oceans and seas of the world - Naming the largest and smallest ocean - Naming oceans that border Africa - Reason why oceans and seas have salty water	Defines a sea Defines an ocean Names the largest and smallest ocean	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery,		- Naming oceans and seas of the world - Naming the largest and smallest ocean - Naming oceans that border Africa - Defining sea and an ocean			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
2	1	LOCATION OF AFRICA ON THE WORLD	UNIQUENESS OF AFRICA	Uniqueness of Africa from other continents -Africa has the longest river in the world -Africa has the longest canal in the world -Africa has the largest man-made lake -Africa has the largest number of countries -Africa has the largest number of land locked countries. -Africa has the shortest people in the world Reason why Africa is; - Cradleland of man, and dark continent	Gives ways Africa is different from other continents	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Giving ways Africa is different from other continents - Stating reasons why Africa is; cradleland of man dark continent most central continent	Flash cards, Chalkboard illustrations, Wall charts, Globe, Compass, Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven		
	2		REGIONS OF AFRICA	Geographical regions of Africa - East Africa, West Africa, North Africa - Central Africa, Horn of Africa and Southern Africa - African countries that changed names - African countries that changed capital cities - African countries created from others	Lists countries in each region with their capital cities	Reads, writes and spells words correctly			- Listing countries in each region with their capital cities - Naming countries that changed names, capital cities and created from others			
	3		AFRICAN COUNTRIES	African countries - Enclave country of Africa - Definition of enclave - Reason why Lesotho is an enclave - Island countries of Africa - Advantages of Island countries - Problems faced by island countries - Coastal countries of Africa - Inland and seaports in Africa	Defines enclave Defines coastal countries Gives problems faced by coastal coun.	Reads, writes and spells words correctly			- Defining an enclave - Defining coastal countries - Giving problems faced by coastal countries - Giving advantages of island countries			
	4		LANDLOCKED COUNTRIES OF AFRICA	Landlocked countries in Africa - Definition of landlocked country - Definition of a coastline - How Ethiopia became landlocked - How South Sudan became landlocked - Problems faced by landlocked countries - Solutions to the problems landlocked countries face - Smuggling and invisible exports	Defines landlocked countries Defines hinterland Defines smuggling	Reads, writes and spells words correctly			- Defining landlocked countries - Defining hinterland - Defining smuggling - Mentioning landlocked countries in Africa - Giving problems faced by landlocked countries			
	5		LOCATING PLACES ON A MAP	Locating places on a map - Ways of locating places on a map - Ways of finding directions - Importance of a compass to people - Definition of a compass - Cardinal & secondary points of compass	Gives ways of locating places on a map	Reads, writes and spells words correctly			- Giving ways of locating places on a map - Naming cardinal and secondary points of a compass			
	6		LATITUDES AND LONGITUDES	Grid reference - Definition of latitudes and longitudes - Major latitudes and longitudes - Hemispheres - Time zones	Defines grid reference Names major latitudes	Reads, writes and spells words correctly			- Defining latitude and longitude - Naming major latitudes and longitudes			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
3	1	PHYSICAL FEATURES OF AFRICA	PHYSICAL FEATURES OF AFRICA	Physical features of Africa - Definition of physical features - Definition of landforms and relief - Types of physical features - Relief and drainage features - Plateaus in Africa - Why a plateau is called a tableland - Importance of plateaus - Problems faced by people on plateaus	Defines a physical feature Names plateaus in Africa	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Defining physical features - Defining a plateau - Giving types of physical features - Mentioning plateaus in Africa - Stating importance of plateaus	Flash cards, Chalkboard illustrations, Wall charts Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven		
	2		HILLS AND MOUNTAINS	Hills and mountains - Hills on which Kampala was built - Importance of hills - Types of mountains - Formation of fold mountains - Formation of block mountains - Mountain Rwenzori	Defines faulting Mentions types of mountains	Reads, writes and spells words correctly			- Defining faulting - Naming the hills on which Kampala was built - Mentioning fold mountains in Africa			
	3		VOLCANIC MOUNTAINS IN AFRICA	- Definition of glaciation - Effects of glaciation - Volcanic mountains in Africa - Definition of volcanicity - Formation of volcanic mountains - Types of volcanic mountains - Mountain Mufumbiro and Moroto - Mountain Kilimanjaro and Elgon	Defines glaciation Defines volcanicity Gives types of volcanic mountains	Reads, writes and spells words correctly			- Defining glaciation - Defining volcanicity - Giving the effects of glaciation - Giving the problems faced by people on volcanic mountains			
	4		MOUNTAINS IN AFRICA	- Mountains in Uganda that form ranges - Tourist attractions on mountains - Economic activities on mountains - Problems faced by people on mountain slopes - Landslides (Definition) - Effects of landslides - Land fragmentation - Effects of land fragmentation - Agricultural mechanization	Names tourist attractions on mountains Gives problems faced by people on mountains	Reads, writes and spells words correctly			- Naming tourist attractions on mountains - Giving economic activities on mountains - Stating problems faced by people on mountain slopes			
	5		HIGHLANDS OF AFRICA	- Definition of highland - Naming highlands in Africa - Definition of basins - Naming basins in Africa - Inselbergs and hot springs - Coastal plains - Lagoons and Coral reefs	Defines highland, basin, lagoon coral reefs, inselbergs and hot springs	Reads, writes and spells words correctly			- Naming highlands in Africa - Naming lagoon cities in Africa - Defining lagoon, inselberg, coral reefs			
	6		COASTAL FEATURES OF AFRICA	Coastal features of Africa - Definition of strait, isthmus, cape, gulf and peninsula - Rift valley and escarpments - Formation of a rift valley - Importance of rift valley	Defines strait, gulf, cape, isthmus and peninsula	Reads, writes and spells words correctly			- Naming straits, gulf, capes and peninsulas in Africa - Defining an escarpment - Stating the importance of rift valleys			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
4	1	PHYSICAL FEATURES OF AFRICA	LAKES IN AFRICA	Lakes in Africa - Definition of a lake - Types of lakes - Volcanic lakes, crater lakes, caldera lakes - Lava dammed and lagoon lakes - Glacial lakes in Africa - Manmade lakes - Oxbow lakes - Formations of lakes in Africa	Defines a lake Gives types of lakes Names crater, oxbow, lagoon lakes In Africa	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Defining a lake - Mentioning types of lakes - Giving formations of lakes	Flash cards, Chalkboard illustrations, Wall charts Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven		
	2		LAKES IN AFRICA	Lakes in Africa - Definition of rift valley lake - Characteristics of rift valley lakes - Down warped lakes in Africa - Characteristics of down warped lakes - Lake Chad, Ngami, Amboseli, Kyoga - Lake Victoria - Importance of lakes - Problems faced by lakes - Problems faced by people near lakes	Defines down warped lakes States characteristic of rift valley lakes	Reads, writes and spells words correctly			- Defining rift valley lakes - Giving characteristics of rift valley lakes - Defining down warped lake - Stating importance of lakes			
	3		RIVERS IN AFRICA	Rivers in Africa - Definition of a river - Definition of major terms relates to rivers - Delta, estuary, tributary, distributary - Types of rivers - Stages of a river - Characteristics and features on each stage	Defines terms related to rivers like delta, estuary, tributary and distributary	Reads, writes and spells words correctly			- Defining terms related to rivers like delta, estuary, tributary and distributary			
	4		RIVERS IN AFRICA	Major rivers in Africa - River Nile - Sections of River Nile - Tributaries of river Nile - Blue Nile - Nile valley countries - River Zambezi - Dams on River Zambezi	Names major rivers in Africa Defines Nile valley countries	Reads, writes and spells words correctly			- Defining Nile valley countries - Naming sections of River Nile - Mentioning major rivers in Africa - Naming the dams on River Nile			
	5		RIVERS IN AFRICA	- River Limpopo - River Ruvuma - River Orange - Tributaries of River Orange - River Congo - River Niger - Dr. Mungo Park - River Volta	Names the explorer who drowned at Bussa falls on River Niger	Reads, writes and spells words correctly			- Naming the explorer who drowned at Bussa falls on River Niger - Giving reasons why River Congo carries the largest volume of water to Atlantic Ocean			
	6		RIVERS IN AFRICA	- Great man made river - Reasons why rivers are not navigable - Importance of rivers - Problems facing rivers - Problems caused by rivers	Gives importance of rivers	Reads, writes and spells words correctly			- Giving importance of rivers - Stating problems facing rivers - Giving problems caused by rivers			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
5	1	PHYSICAL FEATURES OF AFRICA	MULTI PURPOSE RIVER PROJECTS	Multi-purpose river projects - Definition of multi-purpose river projects - Importance of multi-purpose river projects - Factors considered when starting multi-purpose river projects - Aswan High dam - Akosombo dam - Kainji dam	Defines multi-purpose river projects Gives factors considered when starting multi-purpose river projects	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Defining multi-purpose river projects - Giving factors considered when starting multi-purpose river projects - Stating the importance of Aswan High dam	Flash cards, Chalkboard illustrations, Wall charts Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven		
	2		MULTI PURPOSE RIVER PROJECTS	Gezira Irrigation scheme - Definition of irrigation - Largest irrigation scheme in Africa - Methods of irrigation at Gezira - Benefits of Gezira irrigation scheme - Problems faced by Gezira - Solutions to the problems faced by Gezira	Defines irrigation Mentions the largest irrigation scheme in Africa	Reads, writes and spells words correctly			- Defining irrigation - Mentioning the largest irrigation scheme in Africa - Stating problems faced by Gezira - Giving benefits of Gezira irrigation scheme			
	3	CLIMATE OF AFRICA	WEATHER	Weather - Definition of weather - Weather forecasting - Elements of weather - Sunny weather - Rainy weather - Influence of rainy, sunny, cloudy and windy weather to people	Defines weather Gives Influence of rainy, sunny and windy weather to people	Reads, writes and spells words correctly			- Defining weather - Defining meteorology - Giving the Influence of rainy, sunny, cloudy and windy weather to people			
	4		WEATHER	Weather elements and their instruments - Definition of weather instruments - Cloud cover and ceilometer - Importance of clouds - Dangers of clouds - Air pressure and barometer - Types of barometer - Intertropical Convergence Zone	Defines weather instruments Gives the dangers of clouds	Reads, writes and spells words correctly			- Defining weather instruments - Defining air pressure - Defining the term clouds - Mentioning types of barometer			
	5		WEATHER	- Humidity and hygrometer - Temperature and six's thermometer - Sunshine and sunshine recorder - Wind - Properties of wind - Wind vane - Determining the direction of wind	Defines humidity Gives the importance of wind	Reads, writes and spells words correctly			- Defining humidity - Giving the properties of wind - Determining the direction of wind - Stating the cause of wind			
	6		WEATHER	- Determining the strength of wind - Windsock - Determining the speed of wind - Anemometer - Rainfall - Convectional rainfall	Mentions the types of rainfall Defines convectional rainfall	Reads, writes and spells words correctly			- Mentioning the types of rainfall - Defining convectional rainfall - Giving the characteristics of convectional rainfall			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
6	1	CLIMATE OF AFRICA	WEATHER	Relief rainfall - Formation of relief rainfall - Processes in the formation of relief rainfall - Cyclonic rainfall - Definition of a front - Formation of cyclonic rainfall - Districts in Uganda that receive cyclonic rainfall	Defines relief rainfall Defines cyclonic rainfall Defines a front	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Defining relief rainfall - Defining cyclonic rainfall - Mentioning districts in Uganda that receive cyclonic rainfall	Flash cards, Chalkboard illustrations, Wall charts Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven		
	2		WEATHER	Rain gauge - Importance of a rain gauge - Reason why rainfall is measured in millimeters - Reason why rain gauge is placed in a flat open place, 30cm above the ground and 50cm below the ground - Calculations of rainfall	Gives Importance of a rain gauge	Reads, writes and spells words correctly			- Giving the Importance of a rain gauge - Stating the Reason why rain gauge is placed in a flat open place, 30cm above the ground and 50cm below the ground			
	3		WEATHER	Stevenson screen - Definition of Stevenson screen - Importance of a Stevenson screen - Instruments kept in the Stevenson screen - Influence of weather on people's way of dressing - Influence of weather on people's activities - Definition of terms related to weather	Defines Stevenson screen Gives the importance of Stevenson screen	Reads, writes and spells words correctly			- Defining Stevenson screen - Giving the importance of Stevenson screen - Giving influence of weather on people's way of dressing - Giving influence of weather on people's activities			
	4		WEATHER	Weather disasters - Floods - Causes of floods - Drought - Causes of floods - Hailstorms - Causes of floods - Landslides - Causes of floods	Mentions weather disasters Gives the causes of floods, drought and landslides	Reads, writes and spells words correctly			- Mentioning weather disasters - Giving the causes of floods, drought and landslides			
	5		CLIMATIC REGIONS OF AFRICA	Climatic regions of Africa - Definition of climate - Naming aspects of climate - Naming types of climate in Africa - Equatorial climate - Characteristics of Equatorial climate	Defines climate Names types of climate in Africa	Reads, writes and spells words correctly			- Naming types of climate in Africa - Stating the characteristics of Equatorial climate - Mentioning the aspects of climate			
	6		EQUATORIAL CLIMATE	- Definition of double maxima - Naming countries in Africa that experience Equatorial climate - Economic activities carried out in Equatorial climatic region - Equatorial climate graphs and tables	Defines double maxima	Reads, writes and spells words correctly			- Naming countries in Africa that experience Equatorial climate - Giving economic activities carried out in Equatorial climatic region			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
7	1	CLIMATE OF AFRICA	TROPICAL CLIMATE	Tropical climate - Description of tropical climate - Characteristics of tropical climate - Countries in Africa that experience Tropical climate - Economic activities carried out in Tropical climatic region - Tropical climate graphs and tables	Gives the description of tropical climate	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Naming countries in Africa that experience Tropical climate - Giving economic activities carried out in Tropical climatic region	Flash cards, Chalkboard illustrations, Wall charts Atlas,	MK Standard Social Studies Bk7, Precise Social Studies Bk7, Excel Standard Notes for Primary Seven	
	2		DESERT CLIMATE	Desert climate - Description of Desert climate - Characteristics of Desert climate - Countries in Africa that experience Desert climate - Economic activities carried out in Desert climatic region - Desert climate graphs and tables	Gives the description of desert climate	Reads, writes and spells words correctly			- Naming countries in Africa that experience desert climate - Giving economic activities carried out in desert climatic region			
	3		SEMI DESERT CLIMATE	Semi desert climate - Description of Semi desert climate - Characteristics of Semi desert climate - Countries in Africa that experience Semi desert climate - Economic activities carried out in Semi desert climatic region - Semi desert climate graphs and tables	Gives the description of semi desert climate	Reads, writes and spells words correctly			- Naming countries in Africa that experience semi desert climate - Giving economic activities carried out in semi desert climatic region			
	4		MONTANE CLIMATE	Montane climate - Description of Montane climate - Characteristics of Montane climate - Countries in Africa that experience Montane climate - Economic activities carried out in Montane climatic region - Montane climate graphs and tables	Gives the description of montane climate	Reads, writes and spells words correctly			- Naming countries in Africa that experience montane climate - Giving economic activities carried out in montane climatic region			
	5		MEDITERRANEAN CLIMATE	Mediterranean climate - Description of Mediterranean climate - Characteristics of Mediterranean climate - Countries in Africa that experience Mediterranean climate - Economic activities carried out in Mediterranean climatic region - Mediterranean climate graphs and tables	Gives the description of Mediterran... climate	Reads, writes and spells words correctly			- Naming countries in Africa that experience Mediterranean climate - Giving economic activities carried out in Mediterranean climatic region			
	6		TEMPERATE CLIMATE	Temperate climate - Description of Temperate climate - Characteristics of Temperate climate - Countries in Africa that experience Temperate climate - Economic activities carried out in Temperate climatic region - Temperate climate graphs and tables	Gives the description of temperate climate	Reads, writes and spells words correctly			- Naming countries in Africa that experience Temperate climate - Giving economic activities carried out in Temperate climatic region			

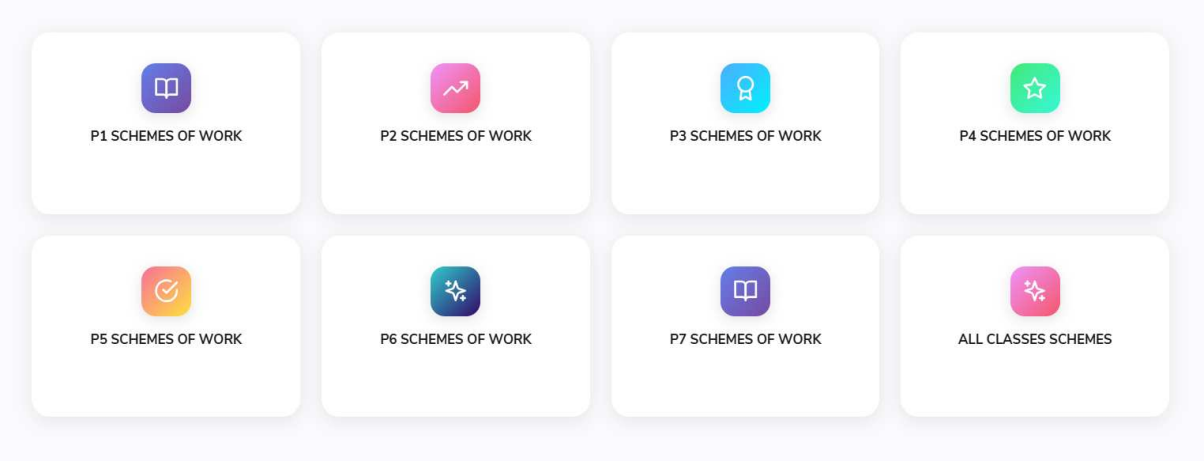

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
8	1	CLIMATE OF AFRICA	FACTORS THAT INFLUENCE CLIMATE	Factors influencing the climate of Africa - Prevailing winds - Types of wind - Effects of prevailing winds - Harmattan winds - Westerlies - Southeast trade winds - Northeast trade winds - Southwest trade winds	Gives factors influencing the climate of Africa	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Giving factors influencing the climate of Africa - Mentioning types of winds - Giving the effects of prevailing winds	Flash cards, Chalkboard illustrations, Wall charts Atlas,	Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven	
	2		FACTORS THAT INFLUENCE CLIMATE	Breeze - Definition of breeze - Types of breeze - Sea breeze - Formation of sea breeze - Land breeze - Formation of land breeze	Defines breeze Gives types of breeze	Reads, writes and spells words correctly			- Defining breeze - Mentioning types of breeze			
	3		FACTORS THAT INFLUENCE CLIMATE	Ocean currents - Definition of Ocean currents - Types of Ocean currents - Influence of Ocean currents on climate of Africa - Cold canary currents - Benguela currents - Somali currents - Guinea currents	Defines Ocean currents Gives types of ocean currents	Reads, writes and spells words correctly			- Defining Ocean currents - Giving the types of Ocean currents - Giving the influence of Ocean currents on the climate of Africa			
	4		FACTORS THAT INFLUENCE CLIMATE	Ways the following influence climate of Africa - Altitude - Vegetation - Distance from the Equator - Distance from large water bodies - Human activities - Deforestation - Environmental degradation	Gives ways altitude and vegetation influence climate of Africa	Reads, writes and spells words correctly			- Giving ways altitude, Human activities, distance from the Equator, distance from large water bodies and vegetation influence climate of Africa			
	5		CLIMATE CHANGE	Climate change - Definition of climate change - Indicators of climate change - Causes of climate change - Global warming - Causes of global warming - Effects of global warming	Defines climate change Gives causes of climate change	Reads, writes and spells words correctly			- Giving the indications of climate change - Giving the causes of climate change - Defining climate change - Defining global warming			
	6		CLIMATE OF AFRICA	**END OF UNIT TEST**		Reads questions and writes answers correctly						

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
9	1	VEGETATION OF AFRICA	TYPES OF VEGETATION	Vegetation of Africa - Definition of vegetation - Types of vegetation - Definition of forests - Types of forests - Characteristics of natural, planted forests - Tree species in natural, planted forests - Forests in Uganda - Importance of forests	Defines vegetation Defines forests Mentions types of forests	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Respect, Love, Empathy, Effective communication, Care, Self-esteem, Assertiveness, Cooperation, Honesty	- Defining vegetation - Defining a forest - Giving the characteristics of natural and planted forests - Mentioning types of forests - Stating importance of forests	Flash cards, Chalkboard illustrations, Wall charts Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven		
	2		FORESTS	- Reasons for planting plants in compound - How forests support wildlife - Ways of preserving forests - Dangers of forests - Problems faced by forests - Natural Environment Management Authority (NEMA) - Deforestation	Gives reasons for planting plants in compound Defines deforestation	Reads, writes and spells words correctly			- Defining deforestation - Naming the body that conserves forests in Uganda - Giving reasons for planting plants in compound			
	3		VEGETATION ZONES IN AFRICA	Planted vegetation - Definition of planted vegetation - Examples of planted vegetation Natural vegetation - Definition of natural vegetation - Examples of natural vegetation - Types of natural vegetation - Vegetation zones in Africa	Defines planted and natural vegetation Lists vegetation zones in Africa	Reads, writes and spells words correctly			- Defining planted vegetation - Defining natural vegetation - Giving examples of planted vegetation - Giving examples of natural vegetation - Listing vegetation zones in Africa			
	4		EQUATORIAL RAINFORESTS	Equatorial rainforests - Reasons why Equatorial rainforests are called; Equatorial, Tropical and rainforests - Countries with Equatorial rainforests - Characteristics of Equatorial rainforests - Tree species in Equatorial rainforests - Economic activities in Equatorial rainforests	Defines location Defines world Defines globe Defines a continent	Reads, writes and spells words correctly			- Naming tree species in Equatorial rainforests - Naming countries with Equatorial rainforests - Giving characteristics of Equatorial rainforests			
	5		SAVANNA VEGETATION	Savanna vegetation - Types of savanna vegetation - Miombo woodland - Deciduous trees - Countries with Savanna vegetation - Characteristics of Savanna vegetation - Tree species in Savanna vegetation	Gives characteristics of savanna vegetation	Reads, writes and spells words correctly			- Naming tree species in savanna vegetation - Naming countries with savanna vegetation - Giving characteristics of savanna vegetation			
	6		TEMPERATE VEGETATION	Temperate vegetation - High veldts - Countries with temperate vegetation - Economic activities in areas with temperate - Characteristics of temperate vegetation - Tree species in temperate vegetation	Mentions countries with temperate vegetation	Reads, writes and spells words correctly			- Naming tree species in temperate vegetation - Naming countries with temperate vegetation - Giving characteristics of temperate vegetation			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
10	1	VEGETATION OF AFRICA	MEDITERRANEAN VEGETATION	Mediterranean vegetation - Countries with Mediterranean vegetation - Economic activities in areas with Mediterranean vegetation - Characteristics of Mediterranean vegetation - Tree species in Mediterranean vegetation	Mentions countries with Mediterranean vegetation	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Effective communication, Care, Self-esteem, Respect, Love, Empathy, Assertiveness, Cooperation, Honesty	- Naming tree species in Mediterranean vegetation - Naming countries with Mediterranean vegetation - Giving characteristics of Mediterranean vegetation	Flash cards, Chalkboard illustrations, Wall charts	Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven	
	2		SEMI DESERT VEGETATION	Semi desert vegetation - Countries with Semi desert vegetation - Economic activities in areas with Semi desert vegetation - Characteristics of Semi desert vegetation - Tree species in Semi desert vegetation - Animals in semi desert vegetation	Mentions countries with Semi desert vegetation	Reads, writes and spells words correctly			- Naming tree species in Semi desert vegetation - Naming countries with Semi desert vegetation - Giving characteristics of Semi desert vegetation			
	3		DESERT VEGETATION	Desert vegetation - Countries with desert vegetation - Economic activities in areas with desert vegetation - Characteristics of desert vegetation - Tree species in desert vegetation - Animals in desert vegetation	Mentions countries with desert vegetation	Reads, writes and spells words correctly			- Naming tree species in desert vegetation - Naming countries with desert vegetation - Giving characteristics of desert vegetation			
	4		MONTANE VEGETATION	Montane vegetation - Factor which influences montane vegetation - Reason why vegetation changes in mountainous areas - Examples of montane vegetation - Countries with montane vegetation - Economic activities in areas with montane vegetation - Characteristics of montane vegetation - Tree species in montane vegetation - Animals in montane vegetation	Lists examples of montane vegetation Gives factor which influences montane vegetation	Reads, writes and spells words correctly			- Giving factor which influences montane vegetation - Stating reason why vegetation changes in mountainous areas - Mentioning examples of montane vegetation			
	5		MANGROVE VEGETATION	Mangrove vegetation - Factor which favours the growth of mangrove vegetation - Reason why mangrove vegetation grows in coastal areas - Countries with mangrove vegetation - Economic activities in areas with mangrove vegetation - Characteristics of mangrove vegetation	Gives factor which favours the growth of mangrove vegetation	Reads, writes and spells words correctly			- Giving factor which favours the growth of mangrove vegetation - Stating reason why mangrove vegetation grows in coastal areas - Listing countries with mangrove vegetation			
	6		VEGETATION DISTRIBUTION	- Factors that influence vegetation distribution - Vegetation conservation - Ways of caring for vegetation - Ways people have destroyed vegetation	Gives factors that influence vegetation distribution	Reads, writes and spells words correctly			- Giving factors that influence vegetation distribution - Giving ways of caring for vegetation			

WK	PD	TOPIC	SUB TOPIC	CONTENT	COMPETENCES		METHODS	LIFE SKILLS AND VALUES	SUGGESTED ACTIVITY	LEARNING AIDS	REFERENCE	REMARKS
					SUBJECT	LANGUAGE						
					The learner;	The learner;						
1 1	1	VEGETATION OF AFRICA	WILDLIFE CONSERVA-TION	- Wildlife conservation areas - Examples of wildlife conservation areas game parks -zoo game reserves -sanctuaries - Game parks in Africa - Ugandan ministry incharge of game parks - Benefits/uses/values of game parks - Problems facing game parks	Defines Wildlife conservation areas Gives the benefits of game parks	Reads, writes and spells words correctly	Explanation, Demonstration, Inquiry, Guided discovery, Whole class discussion, Questionnaire	Critical thinking, Problem solving, Effective communication, Care, Self-esteem, Respect, Love, Empathy, Assertiveness, Cooperation, Honesty	- Defining Wildlife conservation - Defining game parks - Mentioning examples of wildlife conservation areas - Stating importance of game parks	Flash cards, Chalkboard illustrations, Wall charts	Atlas, Precise Social Studies Bk7, MK Standard Social Studies Bk7, Excel Standard Notes for Primary Seven	
	2		WILDLIFE CONSERVA-TION	Sanctuary - Examples of sanctuaries - Definition of a zoo - Example of a zoo in Uganda - Definition of a marine park - Definition of wildlife - Classes of animals in wildlife conservation areas	Mentions classes of animals in wildlife conservation areas	Reads, writes and spells words correctly			- Defining sanctuary - Naming examples of sanctuary - Defining zoo - Defining wildlife - Mentioning classes of animals in wildlife conservation areas			
	3		TOURISM	Tourism - Definition of tourism - Body in Uganda responsible for tourism - Tourist attractions/tourist potentials in Africa - Services provided by tourism - Types of tourists - Importance of tourism - Factors that influence the tourism	Defines tourism Gives body in Uganda responsible for tourism	Reads, writes and spells words correctly			- Defining tourism - Giving the body in Uganda responsible for tourism - Giving the services provided by tourism - Mentioning types of tourists			
	4		WILDLIFE DISTRIBUTI-ON	Factors that influence wildlife distribution - Definition of wildlife distribution - Problems that hinder tourism industry - Solutions to problems faced by tourism - How good hotels promote tourism - Disadvantages of tourism - why tourism is called an industry - Why tourism is called invisible trade	Defines wildlife distribution States the problems that hinder tourism industry	Reads, writes and spells words correctly			- Defining wildlife distribution - Giving a reason why tourism is called an industry - Giving a reason why tourism is called invisible trade			
	5		POACHING	Poaching - Definition of poaching - Reasons why people carry out poaching - Dangers/disadvantages of poaching - Ways the government can curb poaching - Game park encroachment	Defines poaching Gives reasons why people carry out poaching	Reads, writes and spells words correctly			- Defining poaching - Giving reasons why people carry out poaching - Giving ways the government can curb poaching			
	6		GAME RESERVES	Factors that force animals in game parks to migrate - Uganda Wildlife Authority (UWA) - Duties of Uganda Wildlife Authority - Ways of caring for wild animals - Ways insecurity affects tourism - Game reserves	Defines game reserves Gives ways of caring for wild animals	Reads, writes and spells words correctly			- Defining game reserves - Giving ways of caring for wild animals - Giving ways insecurity affects tourism
